Full time result reporting from 8/2/26

Please avoid any unnecessary fines, deadline is 11pm Wednesday, full details now need to be included. Only the clubs who played Sunday need to do this.

Please download the FA club portal on your phone.

Can each club secretary and their assistant have the FA club portal as an app on their phone please? As we make our way through the season it will be important to check squads for player registrations, having the app on your phone will provide the league official and/or referee to determine if all the players taking part in the game are registered.

Pitches for Sunday,

The weather is still not settled however we do know that some pitches are worse than others and an inspection may be needed later in the week, you will be advised if the games get moved, please let your opposition and referee know of any changes.

Confirming Games

Can all home teams confirm with the opposition the venue, team colours to avoid any clash and the referee so he is aware of the location and venue of the pitch.
