Notes.

Home teams – please confirm with your opposition, match venue, kick off time and team colours so there is no clash plus with the referee when announced.

Full Time – please don't forget to put your match details on full time when the games have finished and in the league group chat, referees to be provided with a list of the players prior to kick off and this has to match what you put on F/T. I have updated the form. (This can be downloaded

from the league website), the players do not need to sign the sheet, simply include the players shirt number, first and surname and hand to the referee before the match.
